

## Europa Travel & Tours offers Premium Algarve Longstay Holidays

Friday October 18, 2013

NEWMARKET - Europa Travel & Tours, recognized across Canada as a leader in longstay programs to the Algarve, is now offering a premium longstay package in the South of Portugal.

The Algarve region boasts the most number of sunny days in all of Europe which makes this destination a favourite among Canadians wishing to escape the winter months.

“The Europa Travel packages are created with value in mind”, explains Miguel Rebelo, Managing Director of Europa Travel & Tours. “Our packages include either airport transfers or a rental car and we can offer golf at the many championship courses or sightseeing tours to Spain and Tangier, Morocco.”

The premium packages include direct flights to Faro, airport transfers, rental car and accommodation at premium 4 STAR resorts, located on one of the many Algarve beaches. The longstay packages can also include a combination of the Algarve and Costa del Sol in Spain.

Europa Travel specializes in creating custom itineraries in Portugal and Spain and their team of consultants have years of experience in helping their clients chose the right longstay holiday to escape the Canadian winters.
